

Painting with Watercolor & Watercolor Pencil

Materials List

1. Derwent Watercolor Pencils (They can be purchased separately and should have a small paint brush icon on the handle):

- | | |
|---------------------|---------------------|
| a. sky blue 34 | e. deep cadmium 6 |
| b. spectrum blue 32 | f. chinese white 72 |
| c. magenta 22 | g. ivory black 67 |
| d. burnt carmine 65 | |

(You may also wish to purchase a set of water-soluble watercolor pencils - any size that you feel comfortable with, but a set of 24 pencils or larger is best. My favorite brand is Rexel Derwent Water-Soluble Colored Pencils and is recommended. Please make sure that the colors listed above are included in your set!)

2. **1 tube of white Gouache – any brand**

3. One #2 office pencil and one sandpaper lead pointer (small sheets of extra-fine sandpaper stapled to a small wooden paddle, used for honing pencil points)
4. One Straedler Plastic eraser and one kneaded eraser
5. One sheet of 140 lb. hot-press Watercolor Paper: D'Arches, Fabriano or Lanaquarelle Watercolor Paper and one sheet of cold-pressed 140 lb. Watercolor Paper
6. Watercolor brushes (Synthetic or comparable. Make sure the rounds come to a good point.)
 - a. #10 Kingart original gold Max Round or #10 Princeton Velvet Touch Mixed Media Ultra Round (Ultra Round by Loew Cornell is no longer available)
 - b. 1 inch Flat, 7100 La Corneille
 - c. 1/2 inch Flat, W&N, Series 975 or similar
7. Canson XL Mixed Media Sketchbook 9 x 12 - 98lb paper
8. 3M drafting tape, 1 inch or ½ inch
9. Pencil sharpener of your choice - battery operated or hand held
10. **Two permanent, dark colored, fine point markers. Pitt and Micron are good brands. I would stay away from Sharpie unless it is the non-bleed through pen. Please choose the point size and the two dark colors you prefer.**
11. Basic Six - Artist Quality Tube Colors
 - a. Aureolin Yellow
 - b. Permanent Rose
 - c. Cobalt Blue
 - d. Cobalt Turquoise Light
 - e. Burnt Sienna
 - f. Indigo
