AUGUST 30, 2026

Success is...love of what you are doing or learning to do."

Pele

Dear Potential Supporter,

We hope you and your family are all doing well. We'd like to share information about our amazing, annual Guttenberg Center for Special Services **Special Games** event, and ask for your consideration to support this wonderful day in any way you can.

It's a fun-filled field day for children, teens and adults with physical, intellectual, behavioral and communication challenges, including Autism Spectrum Disorder. We will welcome more than 100 athletes as they engage in physical and social activities with their friends. It's truly a highlight of their year, as well as a meaningful community event that is volunteer driven.

The **Special Games is on Sunday, August 30, 2026, from 11:00am-1:30pm.** It's a terrific opportunity to celebrate the unique strengths of these athletes, and enables us to continue to offer an afternoon that represents what is best about our JCC - community and inclusion.

Our goal is to raise enough money to cover the cost of this event. Please help make a difference in the lives of our participants and their families.

The Guttenberg Center was established in 1997 by Adele (z"l) and Bill (z"l) Guttenberg in loving memory of their son, Chuck. This endowment has allowed the JCC to provide social, recreational, cultural and educational experiences in natural community settings, with appropriate supports, for individuals with disabilities. Programs are designed to meet the wide range of specific needs of our participants. Our goal is to create a nurturing environment and community, allowing each individual the opportunity to reach his or her potential.

Please see the Sponsor Form for the various sponsorship opportunities. We'd love you, your family and/or your colleagues to join us as a volunteer as well, if you are available. If you have any questions, please contact me at 201.408.1490 or mliebowitz@jccotp.org.

Thank you in advance for your support in ensuring the success of our 2026 Games!

Sincerely,

MINDY LIEBOWITZ
